

Lab 1 Project

Student ID: 11647576

Data acquisition in ProDiscover:

- What is the file system used in this image?
FAT32
- What is the time zone where this image was located?
GMT+05:30 (IST)
- What is the total number of clusters contained in this image?
120574
- How many hidden sectors are contained in this image?
2
- On what date were the three files deleted?
06/22/2009

Viewing an NTFS Image in ProDiscover:

- f. What is the total number of clusters contained in this image?
31487
- g. What is the total size of this storage device in kilobytes?
125951KB
- h. How many clusters did deleted MS Word document occupy in image?
8
- i. What time was the bank.jpg file deleted?
10:59:14
- i. How many sectors are contained in each cluster?
8

Viewing a FAT32 Image in FTK Imager

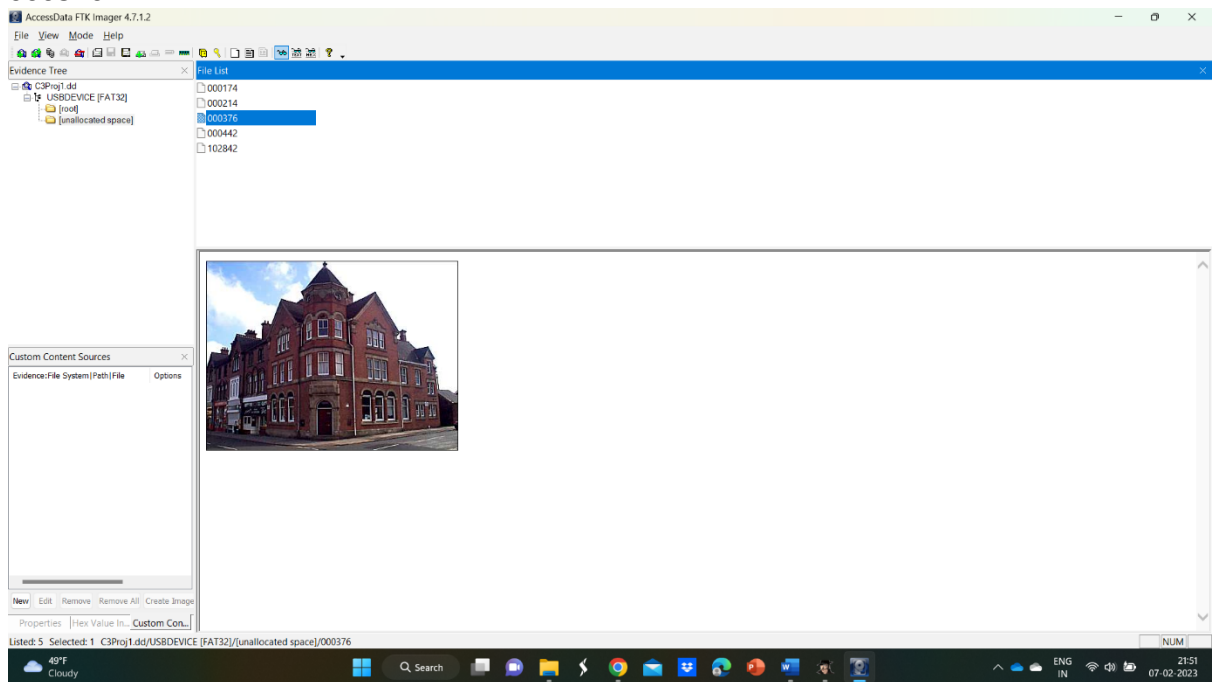

- j. How many files of unallocated space are found in the folder?

5

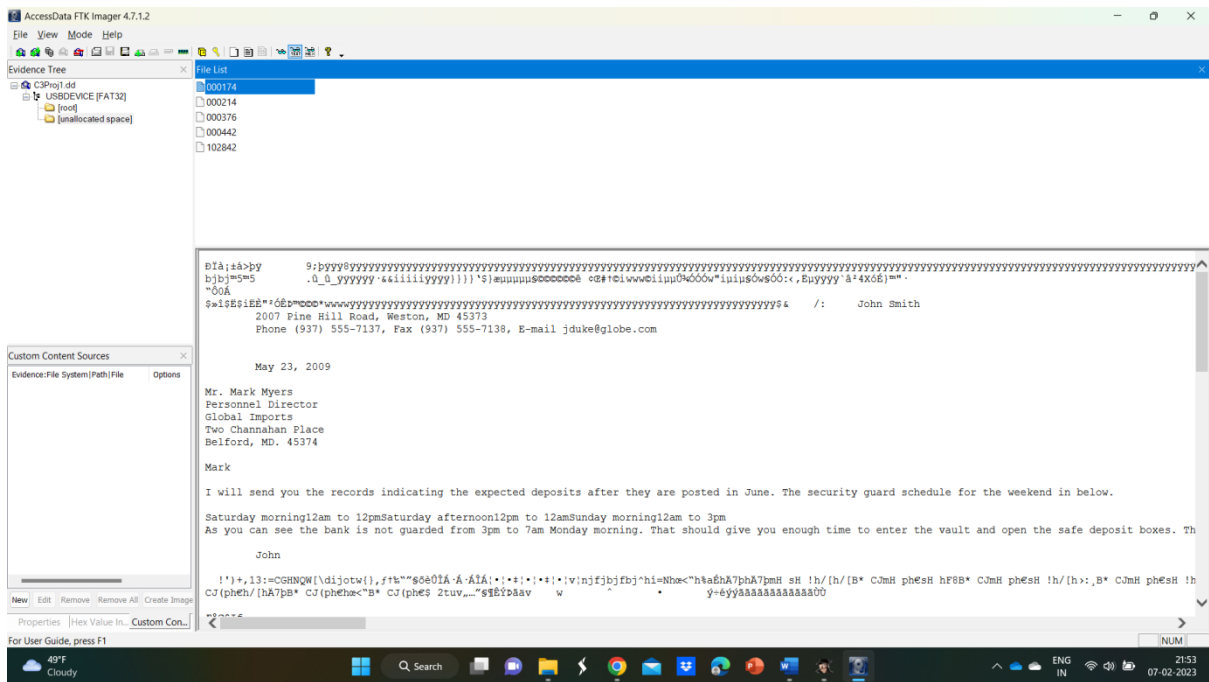

- k. Which file contains a picture of a large building (i.e., a bank)?

000376

- l. Locate the **000174** file and then select the **TEXT Eyeglass** icon on the tool bar in FTK Imager to view unformatted text found in this file. Who is this document addressed to (full name)?

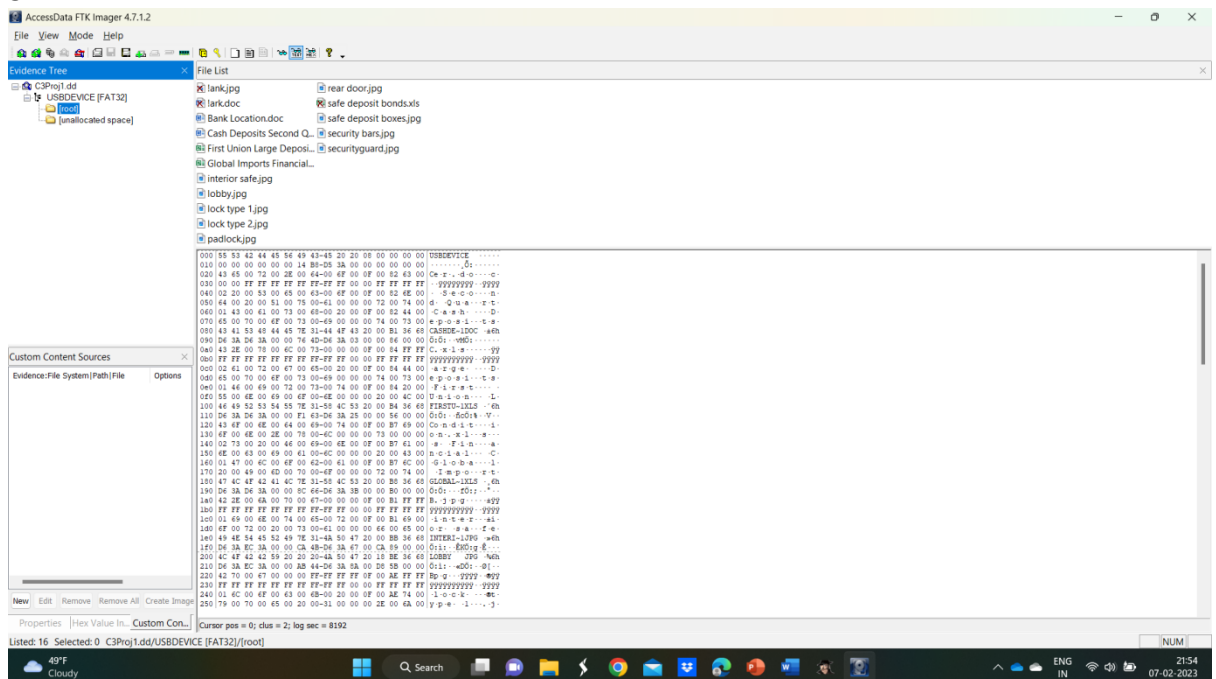

Mr. Mark Myers

Examining the [root] folder:

- m. Deleted files are shown with a red (or similar) X through the icon for the file type.
How many deleted files are found in this folder?

3

- n. What is the name of the web site that sells safes like the interior safe found at this bank?

www.SAFESet.com
